

Retin A

3% Vitamin A Complex

Skin Types: Aged, oily, acneic and hyperpigmented skin

Ingredients: Aqua, Aloe Barbadensis Leaf Juice, Propylene Glycol, Laureth-7, Dimethicone, Cyclomethicone, Lactic Acid, Retinol, Retinyl Palmitate, Methylisothiazolinone, Methylchloroisothiazolinone.

BOSSFACE Cosmeceuticals are dedicated to providing scientifically advanced products for various skin conditions and developing complete product lines. Our comprehensive formulas are based on a superior delivery system which is encapsulated with active ingredients and provides a time releasing penetration deeply within the epidermis, resulting in naturally resilient and healthy skin.

Benefits: This is an innovative, effective treatment to rejuvenate your skin. A suitable, highly effective Vitamin A formulation to condition the skin. Corrects hyperpigmentation and smooth out wrinkles, while reducing breakouts and pimples.

Directions: Apply to cleansed skin. Use in the evening only, every other day. For sensitive skin or first time users, apply a moisturising product after application or follow your skin specialists advise.

Caution: External use only. Avoid eye contact. Discontinue use if irritation occurs. Use a Broad Spectrum SPF50 and limit sun exposure while using this product.
