BOSSFACE

COSMECEUTICALS

A light serum with high concentration of Sodium Ascorbyl Phosphate, a vitamin C derivative with superior stability. It is a powerful anti-oxidant and a free radical scavenger. Supported with Ferulic acid, it will help protect from photo damage, even out the skin tone, improve skin firmness and reduce the appearance of age spots, for a beautiful healthy looking skin.

Directions: Apply to cleansed skin, avoiding direct eye area. Follow with your SPF moisturiser. Use morning and night.
